EJTN LINGUISTICS SEMINAR
SUMMER SCHOOL:
LEGAL LANGUAGE TRAINING IN COOPERATION IN
HUMAN RIGHTS' EU LAW

22 – 26 AUGUST 2022
Venue: National School of Judiciary and Public
Prosecution, Krakow, Poland

With financial support from the Justice
Programme of the European Union

BACKGROUND

“Mastering a foreign language and its legal terminology is important and should form part of the continuous training of legal practitioners. It is a precondition to effective contacts across Member States, which are in turn the cornerstone for judicial cooperation. It is essential that all stakeholders pay attention to training on legal terminology of foreign languages”.

European Commission – Communication of 13 September 2011 on Building trust in EU-Wide Justice, A new dimension to European judicial training (COM (2011) 551).

EJTN is focusing special attention to designing linguistic projects for the training of the EU judiciary in legal English and legal French. EU judges and prosecutors benefit from EJTN’s high quality training programmes, which are supported by the European Commission and the various European national training institutions.

The courses aim at developing both the legal and linguistics skills of the participants by combining legal information and language exercises in a practical and dynamic way.

The courses combine theoretical and practical sessions of the four basic language skills: reading, writing, speaking, and listening, within legal terminology.
